Dear Mrs Lyman

Completion of the audit for the year ended 31 March 2022

We have completed our audit for the year ended 31 March 2022 and I have pleasure in enclosing the certified Annual Governance and Accountability Return. The External Auditor's Certificate and Report is given in Section 3.

If there are any significant matters arising from the audit, they are summarised in the External Auditor's certificate in Section 3. If we have identified minor scope for improvement we have recorded this on page 2 of this letter. The Council must consider these matters and decide what action is required. In most cases this will be self-evident. In some instances we have referred to further guidance available, in particular, in the publication "*Governance and Accountability for Local Councils – A Practitioners' Guide (England) 2021*". This can be obtained via your NALC or SLCC branch, or downloaded free of charge.

Action you are required to take

The Accounts and Audit (England) Regulations 2015 set out what you must do at the conclusion of the audit. In summary, you are required to:

Publish (which must include publication on the authority's website) a statement:

- that the audit has been concluded and that the statement of accounts has been published;
- of the rights of inspection conferred on local government electors by section 25 of the Local Audit and Accountability Act 2014; and
- the address at which, and the hours during which, those rights may be exercised.
- Keep copies of the Annual Governance and Accountability Return for purchase by any person on payment of a reasonable sum.
- Ensure that the Annual Governance and Accountability Return remains available for public access for a period of not less than five years beginning with the date on which the Annual Governance and Accountability Return was first published.

The Accounts and Audit (England) Regulations 2015 do not specify the period the Completion Notice needs to be on the council's website but this period must be reasonable.

Minor scope for improvement in 2022/23

Whilst correcting the material error for fixed assets an immaterial error was identified at Box 7 for 2021/22. the figure was initially overstated by £10, which meant that the balance carried forward at Box 7 (2021/22) did not agree to total cash and investments at Box 8 (2021/22). The error was corrected but in future the Council should ensure that Boxes 7 and 8 are always equal.

The bank reconciliation was difficult to follow because it did not explicitly state which figures were from the cash book and what the community bank account was. In future, the Council should use the standard proforma provided in our guidance or in the Practitioner's Guide when preparing the bank reconciliation.

Accessibility Regulations

We are aware that the Accounts and Audit Regulations requirement for a physical 'wet ink' signature on the original AGAR, does not allow parish council's to fully comply with the Accessibility Regulations. The National Audit Office are aware that the two pieces of legislation are not compatible, therefore smaller authorities are advised to make it clear on their website that the document is a scan and will not be fully compliant with the Accessibility Regulations.

Audit fee

Our fee note for the audit, which is in accordance with the audit fee scales set by SAAA, and available at <http://www.localaudits.co.uk/fees.html> will follow.

We would be grateful if you could arrange for this to be paid at the earliest opportunity.

We have made an additional charge as we were required to either write to you or send back your Annual Governance and Accountability Return for amendment and undertake additional work. This charge is shown separately on our fee note.

Yours sincerely
